## WELCOME MESSAGES

### Welcome from Nick Chester, NZDAC 2017 Chair

Welcome to the 2017 Black Hawk NZ Dog Agility Championships! Zone 1 is pleased to be hosting you here at the Kihikihi Domain, in the heart of the Waikato. I am sure many of you will be excited and nervous to compete. This will be the 14th DAC I have attended, and the event still holds as much anticipation as ever.

I have no doubt that you and your dogs are going to love this venue. The Kihikihi Domain is expansive, with all the room we need to run a great event. It is somewhat daunting to have nine competition rings but we think it will all pay off and make the event run smoothly. The running surface is one of the best I have seen in New Zealand, and should help dogs to compete at their best. As always, please respect the venue – I have a feeling it's one we would like to use again sometime.

An event of this magnitude is the result of a coordinated effort over many months. The support we have had to run this event has been phenomenal. First and foremost, our premier sponsors, Black Hawk. This is a great new product and we know your dogs are going to love it. A natural food using top ingredients, those dogs who win some of the product are sure to enjoy it. We encourage you to speak to the team from Black Hawk at the event and find out more.

Please read through our catalogue and take note of the numerous sponsors we have. We couldn't provide an event of this size without the generosity of so many individuals, clubs, agencies and businesses. It really is appreciated – and I hope you will support these groups in turn.

To our judges and volunteers – I will say thanks in advance. We have assembled quite the team of judges to deliver some great courses to you. They will be standing through whatever the weather, so please respect and be nice to them! Also, a massive thanks to the many people who have helped make this event happen. You all know who you are, and your work is greatly appreciated. We are very lucky in Zone 1 to have such a wealth of talent and experience to draw from, combined with a willingness to get stuck in and get the job done.

For my committee and me, this weekend is the culmination of 18 months of hard work. The DAC has grown over the years from a fun extended weekend of agility into something of a behemoth. Events like this don't just happen; they require a huge amount of work. I want to say thank you to my incredible committee – Rosemarie, Laura, Debbie, Janette and Bevan have worked hard to provide an outstanding event for you. Please feel free to shout them a drink at the Social event – they deserve it.

# WELCOME MESSAGES

For myself, there has been a lot of work answering emails, coordinating clubs and promoting the event. It has been full on, but I would be lying if I said I haven't enjoyed it. It has been a lot of fun to bring this event to you. Maybe that speaks to more serious mental health concerns on my part, who knows. So, I ask in turn that you remember that even though this is the "main event" of the dog agility calendar, don't take it too seriously. If you do well – congratulations. If not, there is always next year. Your dog will have fun regardless whether or not they have a ribbon to show for it at the end. Enjoy the social aspect, compete with a smile and remember that this is as much about having fun as it is about competing.

I hope you have a safe, happy and enjoyable weekend here in Kihikihi.

## Welcome from Carl Ranford, Dogs NZ AC Chair

It's that time of year again, where our code comes to together for a full on 4-day weekend of the sport we all love and enjoy. Agility! Of course, I am referring to NZDAC. This time Zone 1 is hosting our National Event and we have a Kiwiana theme to help entertain us. We have an unprecedented 5227 entries! Made up of a staggering 632 dogs! This will be the biggest Agility Event in New Zealand on record!

The hidden beauty of our National Event is the fact that there is no qualifying criteria required to enter, which makes it open to all so everyone has a chance to attend and compete - no matter the grade they are in.

For many, NZDAC is a must do event on their calendar and for very good reasons it is seldom missed. It is also our biggest social event of the year and that alone brings a lot us. It's a chance to catch up with friends from across the country and enjoy the company of those whom we share the same interests with.

With a great line up of judges and a massive 10 rings in action, made up of 9 competition rings and 1 practice ring, all aspects of agility are covered. There will be Champ of Champs, Flygility, YKC, Agility & Jumpers Finals and of course Team Events, where each Zone gets into theme and cheers on their Zone on from the side-line. A line up of fun social events is planned as well, so if you are joining in you will be sure to have a good time! Just don't forget your dog will need you in the ring the next day.

I would like to thank Nick Chester and his organising committee for all the hard work they have done to deliver this huge event. It is no easy feat to bring all this together. Special thanks to our premier sponsor Black Hawk and all other sponsors and clubs who help make this event possible.

Finally, good luck to all those competing and I will see you there, in and out of the ring.

## WELCOME MESSAGES

### Welcome from Nigel Trainor, Dogs NZ President

Welcome to the 2017 Black Hawk NZ Dog Agility Championships (NZDAC)  
I wish you all well at this year's NZDAC.

Executive Council has been privileged to read of progress to date from both Bevan Dale and Nick Chester at our meetings. Congratulations go to all involved in the event in attracting record entries to Kihikihi. I have never been to Kihikihi and can honestly say I had never heard of it! But I am sure that the locals will certainly know that NZDAC and Dogs New Zealand have been in town in what will obviously be a fantastic weekend.

Apart from the record entries we have been amazed to read of the number of camping sites sold and the interest from stall-holders. What appears to be a small organising committee has certainly been busy and on behalf of Dogs New Zealand I wish to congratulate and thank them. I encourage you to do the same as they have obviously dedicated countless volunteer hours on your behalf.

It is appropriate that I acknowledge Masterpet NZ as having the naming right sponsorship rights of NZDAC through their new range of Black Hawk dog food. Our relationship with Masterpet NZ now extends over seven years and has recently been secured through to the end of 2019. The Masterpet NZ team has always been a pleasure to work with and it is great that Dogs New Zealand is associated with such a credible brand. Given the hype leading into NZDAC I am sure the Masterpet NZ team will thoroughly enjoy their time with you all at Kihikihi.

Over the past few years Executive Council members and, in particular our breed representatives, have been proactive in attending both NZDAC and NDOA. This is very important as it gives our team a first-hand understanding of all of our disciplines. We are of course now trading under our new name Dogs New Zealand with this change made to better reflect the make-up of our membership and the activities they are involved in. I am sure that Steve Tate (Saturday) and Maree McKenzie (Sunday) will enjoy their time with you at NZDAC in 2017. It has been pleasing to read of the relationship developed between the organising committee and the Dogs NZ main office. I know the office staff have been keen to assist with both NZDAC and NDOA events but have been limited with all three National events being held in October but this is changing from 2018 which should allow the relationship to further develop in the future.

Finally, to all of you; the event committee, judges, club personnel manning the rings and competitors alike we wish you all the best for a fantastic event.

We look forward to the delivery of an event that the Agility fraternity, Dogs New Zealand and our sponsors can be extremely proud of.

## Practice Ring

The practice ring will be available all weekend at the southern end of the arena. There is strictly no practicing in any other ring.

## Course Walking

Courses will be available for walking for at least an hour before competition begins. The committee will make all efforts to provide additional time for walking where we can.

## Ring Procedures

- In every event, at the end of each height, that class will close. There will be NO exceptions.
- Please have good communication with the call board so you can have the best opportunity to get there in time.
- Every ring is managed by a different club. Please make sure that the Judge is ready and the Scribe has your number before you begin as each ring will have a different method of doing this.

Also, please note, due to the huge numbers of entries and the short amount of time available we need your help to keep our show moving;

- if you reach MCT (Maximum Course Time) you will be asked to leave the ring immediately via the exit area;
- if you are unfortunate enough to be disqualified you will be allowed to finish the course but please remember, no training.

# YOUR JUDGES

## Fiona Hodgson

My beginnings in Agility go back close to the early days of the sport in NZ.

In 1987, I bought a Rottie pup and thought I'd better get this small animal under control before it became a large animal and so started taking him to the Obedience classes in town. He loved it - I loved it, and off we went.

It was at this time that I met up with a couple of others who wanted to do something other than obedience in the area and thought we'd have a crack at this new Agility type thing. The first day we put up two jumps and balanced a bit of board on a couple of saw-horses for a

table. After two goes at this extensive course, we were all sure we knew everything there was to know about Agility – the last 30 years or so have been spent learning how wrong we all were!

Since then I have been involved in every area of the sport and have been judging agility for over 20 years including all of the major National events many times and large Australian events including the Canberra Royal, Australian Nationals and NSW Festival of Agility a couple of times.

YOUR JUDGES

*...we put up two jumps and balanced a bit of board on a couple of saw-horses for a table. After two goes at this extensive course, we were all sure we knew everything there was to know about Agility..*

I've run dogs of all sizes (both mine and those belonging to others). I've fallen over more times than I care to count and I could write a book on the mistakes I've made. I've won and I've lost (a lot).

I love judging and witnessing all of the fantastic performances and people just having fun on my courses. The only thing that makes me grumpy as a judge is harsh handling.

Having missed the last few NZDACs for one reason or another, it will be great to be at what looks to be a great one this year and I look forward to catching up with everyone. I was asked to supply a photo so thought it only appropriate to provide one from the last Zone 1 NZDAC.

## Beth Oliver

Hi everyone!

I've been in agility coming up to 25 years and enjoyed every minute of it. The best part is being a life member of the most awesome little club in New Zealand, Central Hawkes Bay! I'm a bit different in that I no longer run a dog but do enjoy judging and setting courses which hopefully sit at the level they are targeted at.

Outside of agility I work on an orchard as a Site Administrator, I also do some pruning and at harvest I supervise a gang of 16 Samoans which is like having 16 kids! We have a lot of fun together which makes my job easier, most days! Outside of work, my partner, Chris, and I live on a small lifestyle block with our two dogs Fez and Smallest and several other four-legged stomachs! We both enjoy fishing and regularly make trips to Slipper Island in the Coromandel to target the big snapper. I have also this year bagged my first deer. This has always been on my bucket list along with a 20lb snapper, marlin, swordfish, 15kg kingi, so still lots to look forward to!

I have seen agility grow so much in the last 25 years and my hopes for the sport in the future are that we continue to compete solely because we enjoy doing so, have the dogs' safety first in our minds at all times and also have the confidence that when we have concerns or ideas that they will be listened to without judgement.

Good luck to you all competing, I hope you enjoy my courses and the NZDAC 2017 creates great memories for you!

## Paul Taylor

I am honoured to judge at the 2017 NZDAC, and would like to express my thanks to the organising committee for the opportunity.

My time in agility has seen our premier event move from NDOA to NDTA, to NZDAC. And the 2017 event will see the further innovation of different judges for the various heights of each class. I see this as a clear indication of the increase in popularity in our sport of Agility.

I continue to be impressed by the variations and advancements of handling skills used by competitors, and I will be aiming to provide courses where people can utilise and display these skills.

Good luck to everyone competing this year.

YOUR JUDGES

Hey all!!!

Most of you will know me already, been around the traps for 20 odd years, playing silly buggers with Belgian Shepherds in all that time and judging since 2007. Like most of you I spend many, many weekends away trying to run a dog part time and then judging a bit more part time than running a dog part time 😊

Great to be involved with this year's NZDAC and big thanks to the organising committee for having the balls to ask me along. Well...it's sorta like what goes around comes around so to speak 😊

Its indeed an honour to again be asked to judge another NZDTA/NZDAC - that's four zones covered in my short ten years judging and I'm sure we're all going to have fun. These are huge events now and I applaud the 2017 committee for all the efforts to get everything right for the weekend. Please take time during the weekend to thank them in passing for the huge effort to make the whole weekend the success I'm sure it will be. In line with the organisation, please be patient with any changes etc that may happen. It's hard to make an event this size go like clockwork, there will be clashes but hey, put yourself in these guys shoes and consider how you would feel if it was you.

In saying that, I have every faith that Z1 will do a magnificent job.

Everyone...have a great time with Z1 and their hospitality, share great times with friends and wags and just go out there and enjoy the moment.

Lookin' forward to an awesome weekend

Cheers  
Martain

(to the tune of 'Fresh Prince of Bel-Air')

Now, this is a story all about how  
My life got flipped-turned upside down  
And I'd like to take a minute  
So, sit right there  
I'll tell you how I became a DAC judge this year

In Wellington City born and raised  
On the playground was where I spent most of my days  
Chillin' out, maxin', relaxin' all cool  
Hangin' with the lads and skipping school  
Me and my mates, we were up to no good  
Started making trouble in the neighbourhood  
Had no plans, my life was going nowhere  
So off on my OE I went for a year

Upon my return Bron was still there  
We moved to Palmy, and I'm still here  
Needed something that we both could do  
Somehow dogs is what we got into

I started in obedience and moved to agility  
Never thought I'd have the ability  
To train an agility champ or two  
Now this is just somethin' I love to do

Guess you all know the rest from here  
Had 9 dogs in the last 20 years  
Judging was something I was talked into  
Now I'm honoured, each appointment I do

Go good and clean, it's gonna be a test  
No matter the result, give it your best  
Just remember at the end of the day  
You go home with the best dog anyway

I got the email about 7 or 8  
And I replied "Yeah Nick, I'm in mate"  
Our premier event  
I was finally here  
Judging Twenty Seventeen DAC this year

### Allan Rohde

This year has been a quiet year for me as far as competing goes. I retired Knight after the NZDAC last year leaving me with only Flick to run. Unfortunately, she picked up an injury early in the year and has been out of competition ever since. At the time of writing this we are not sure if she will get to compete at the NZDAC this year. Anyway, as they say, every cloud has a silver lining and because I haven't been able to compete much, I have taken on more judging assignments. Despite some of my grizzles from time to time, I do enjoy judging and in particular setting course challenges that hopefully people enjoy. It gives me the opportunity to watch up close a range of different dogs and handling styles which is sometimes helpful for instructing other handlers.

My highlight this year was being asked to judge at the Queensland state agility championship in Australia. And following on from that being asked to judge in Victoria which unfortunately I had to decline because of other commitments. Next year maybe? Close behind this is being asked to judge at the NZDAC. I always consider it an honour to be asked to judge at "the Nationals" so thank you to the organising committee for offering me the opportunity. I just hope my courses live up to people's expectations of what they should get at the NZDAC.

I am starting to look forward to next year as my new dog Kruze (or Tom as some call him) will be start competing. Be forewarned that I have not done a lot of work with him which is actually a good thing. This has meant Elaine has spent a lot more time with him and he is looking very good. I have started working with him a lot more now so hopefully by the end of year our team work will be on song.

Hope you all enjoy the NZDAC this year.

## Cam List

Hi all, Well another year and yes, another National agility event. They keep turning up around this time of the year, don't they?? Well it looks like this year is turning out to be again one of the biggest. These things just keep growing.....

For those that don't know me I have been around for about 13 years and have made agility a fairly big part of my life. This year I lost my first agility dog Sheeba, which I owe all of my achievements to, as she was the dog that got me started. A lot has happened over the 13 years: marriage, 3 kids and a bit of a change in focus from agility to family, or at least an attempt at getting all the balances right so I have the best of everything. As many of you know it is very tricky trying to keep everyone happy and still do the extra things in life. And things are just going to get busier I am sure. My eldest Hannah is now 7, Mikayla has now joined the school ranks and Casey just turned 2.

Back to agility now.... During that time, I have gone through the different ranks of judging and have had far too many appointments to remember. I have had overseas judging appointments in Australia and even held a few positions on the AC over the years.

I have attended the YKC camp last year as a trainer and will continue to do so until those kids mentioned above no longer want or need me lol.... But it is great to see them enjoying YKC and running my nutty BC Treason (or attempting to at least).

For this year at the NZDAC I will hopefully be testing your ability and giving you all some interesting courses to manoeuvre around. Nothing too confusing of course.... Seeing great achievements at an NZDAC makes judging worth it. All levels have some awesome runs and everyone smiles at the end as that's really what we are here for. Plus, there is the win and if you do manage that then well done.

See you out there with your smile.....

## Paul Remon

I'd like to thank the committee of NZDAC 2017 for inviting me to judge. It is always a pleasure and honour to judge at our National Event.

Agility has come a long way since I started competing in the sport in 1989 with increased speed, new handling methods and changing course design. However, the people are still the same, we are all here for the love of our dogs and the enjoyment of our sport. Sharing our weekends with like-minded people and a few beers along the way is what keeps us coming back.

I'm looking forward to judging some great partnerships and hope you all enjoy my courses. Win or lose, we all take the best dog home at the end of the day! Go Zone 5 !!!

## David Cook

17th of September, 2017. Requested date for judge's profile well and truly passed. I'm now at that awkward stage where I need to ask pressing questions regarding the event, but know the whereabouts of my profile will arise again...so here goes nothing.

Note: profile may contain blatant lies.

Born and bred in Dunedin thirty something years ago, I've been involved in agility since 2001...well before active wear was even 'a thing'. I'm a builder by day and dabble with sleeping at night. I'm a long serving (almost life member) of the North Otago Dog Training Club in Oamaru - where regularly the huge numbers attending training means my dogs are seldom trained. I enjoy romantic walks on the beach by myself and never-ending Dunedin summers. My hobbies include being a vegan (yes, I know everything!), cross stitch and solving the Bain murder mystery.

Good luck to everyone. Remember there's always another run (except for any dogs that don't survive the cross over ; ) ). In all seriousness, it's always an honour to be invited to judge at the DAC so a big thank you to the committee for having me officiate this year.

Inspirational quote for the end of the event: Forrest Gump - "I'm pretty tired... I think I'll go home now."

### Patsy & Raz

My name is Patsy Aldridge and my wee mate is Raz-Ma-Taz (Raz). We, along with my partner Wally, and my other dogs, live on a lifestyle block in Patumahoe which is just outside Pukekohe. I work full time at Middlemore Hospital with the Plastic and Hand Surgeons, and then start work again when I arrive home.

I have been involved with agility for some years, not I might add with a lot of success. Each dog I have had has taught me a lot about myself and handling in the ring. My instructors over the years have been most patient with me, and have probably had a laugh at my expense (I would probably laugh at me too if I was in their shoes). I can only say thank you very much to them for their time and patience.

Raz came to me from a Dairy Farm in Ngatea. Well Raz loves life, he is full of energy. The main thing is that he loves to go "JUMPING" as we call agility at home. He will run for just about anyone. I'm sure he did it deliberately, but he embarrassed my girlfriend dreadfully one day when she was running him. Ask Marilyn Lambert about her little episode with Raz.

His other passion is playing Bally Bally with his mate Kata. He can sprint around after Kata with a ball in his mouth, and barking at the same time. A real comedy act.

### Janetta & Jess

Not that long ago we knew nothing about agility before joining the Auckland Canine Agility Club for fun and recreation. We have loved every moment of our training experience and people that this club brings together. Our life was quiet until 2 years ago, when the family made a commitment to compete, so we hit the road on our Agility journey, doing full weekend events.

Jessie was very slow, but accurate before she discovered the adrenaline rush and the bark, then the fun started along with dropped bars... Although she does not break speed records, she is really excited and enjoys ripping into obstacles.

Jessie is gentle, docile and affectionate 5 years old petite Border Collie, a perfect city family pet, who also does Rally-O and Obedience, though like me prefers agility. I could not have asked for a better dog, what do they say "Great dog, shame about the handler". We live in central Auckland with our support crew: my husband John and another dog Misha. Our backyard is small, but full of DIY jumps and tunnels.

# INTERZONE PROFILES

Regardless of strict urban dog access rules, we are still surrounded by many parks for long walks or ride bikes with dogs running alongside.

If anybody would have told me that I would represent 1/3 of the country I would have thought they were joking, but it happened and it's amazing to be picked. I feel incredibly lucky and honoured to be part of our great team and of this dog sport. Good luck to all the other competitors. Go Zone 1!

## Carol & Belle

My name is Carol Taylor. I belong to Mangawhai DTC. This will be my first time as a zone team member and a first for our club. I have enjoyed competing in agility for the last few years, I find agility is a great sport that I can enjoy and share with my daughter who now competes with her own dogs. I have owned a variety of purebred and crossbred dogs and try to learn from each one, each dog is unique.

My current dog Belle, is my first competitive agility dog she is a heading dog x poodle, with the current craze of joining names club members have dubbed her the 'Hoodle'. Belle is ball mad and will tell you if you're not paying her enough attention. Belle has proven to be a good allrounder for me to learn with, we have participated in most disciplines attaining Rally, Flygility, Jumpers and Agility titles which is really exciting.

I am nervous, blown away and excited to represent zone 1 in the team trophy, good luck to all team representatives and competitors.

## Hayley & Swift

Swift is a five-year-old heading dog who is by our Knight. Swift is my second dog I've trained for agility, and this will be her first time representing Zone 1. This will be my second time making the team, last year I qualified with my mum's dog Bolt. I've been around dogs and agility for most of my life, was carted off to shows when I was a baby and never really looked back.

Swift has been out of agility for most of last year due to having surgery in both shoulders. She has just really made a comeback April this year and has achieved more than I expected already. Swift is a cool little dog, with some strange traits. When it comes to agility she can get quite stressed and sometimes won't even run, which could make this a little interesting. Lol

Good luck everyone!!

#### Chrissy Harris & Lace

Hi my name is Chrissy Harris and with my girl Lace, we are the Starters team for Zone 2. Our home club is Hawkes Bay Dog Training Club in Hastings. This is my first time in a Zone 2 team and my first time at DAC! I am really excited at being in the team and having a great time at the competition.

Lace is a 3 year old heading dog I have had her for 2 years. She came off a farm as she wasn't making it as a working dog. Coming to live in town was a huge learning curve for her, she had been on the back of a ute once (the trip home was interesting!) and of course had never been inside a house. She is the energizer bunny of my dogs, always on the go. She is able to kangaroo jump up to eye level on the spot repeatedly when the mood takes Her! Her favourite things are food, agility, food, Cuddles, food, running fast, food.....you get the Picture! To keep her amused we also compete in Flygility, Rally-O and obedience.

#### Chelsea Marriner & Chrome

Chelsea has been in agility for about 19 years now, and has titled 4 Agility Champions, 5 Agility Grand Champions, 1 Jumpers Champion and 6 Jumpers Grand Champions, in between riding bikes and stalking utes. She keeps saying she's going to quit, and may well do after at least 67 runs over the next 4 days. If she doesn't turn up to DAC, there is normally a motocross extravaganza at Taupo on the same weekend.....

Chrome is a 3 year old working collie, being an odd tone of merle and sired by 'Shift', her colour is termed as 'shifty shades of grey'. She was going to be Chelsea's sheepdog, and was not to be contaminated by agility. That soon changed when Chelsea got bored doing one thing, as usual, and Chrome was thrown in the agility ring fairly green and unprepared, but always up for a good time! She is an utter nutter and her favourite pastimes include riding on the back of the quad and doing backflips off it, anything to do with water (lakes, rivers, bike washing), and of course working sheep. Her absolute favourite is holeshot corner at motocross - the gates drop and the boys get on the gas, and Chrome can barely contain herself!

She has been an interesting challenge to train and work for agility, and she keeps me on my toes. Her name Fool's Gold is after one of the grade 5 mountain bike trails in the Whaka Forest, and she also loves tagging along when I go for a pedal.

### Tina Mitchell & Joy

Hi there all, having played this game since 1996 I have the honour this year of representing Zone Two for the sixth time and the third time with my Lil' Devil 😊 During the couple of years since our last DAC outing, Joy has discovered two new passions. One of these exciting new pass times is in the pursuit of tormenting her little brother Moss and the other is Agility Games!!

Joy having earned the distinction of being the first dog in either Zone 1 or 2 to graduate to Games A has been our thrill of 2017 so far (very much looking forward to following that up with the Team Shield!!). Team trials in Zone Two are always a great fun experience and this year was no different. An awesome bunch of guys and gals, and as always, a team and a zone to be proud of 😊 I would like to convey my kindest regards to the other zone teams – honestly, I do!! However, my best wishes go to my Zone Two team mates 😊 I hope that everyone here this weekend achieves their personal goals and goes home with the best dog ever 😊

### Karen Morrison & Fate

Hi, I'm Karen and I'm super thrilled (if not a little overwhelmed!) to be representing Zone 2 and the Tokoroa Dog Training Club with little Miss Fate at NZDAC this year. Fate is my second agility dog and this will be my second time representing Zone 2 at NZDAC. Fate is exciting to run and she challenges me in more ways than I can count! Our journey together has been extremely special and she is an amazing team mate. The following poem, written by my good friend and fellow Tokoroa club member Linda Martin, nicely sums up our first year competing

together 😊

There once was a girl named Karen  
Who had a dog called Fate  
Fate was a border collie  
As cute as cute as one could rate

Now when Fate was a little baby  
She caused a worry or two  
But Karen said no worries girl  
I have a plan for you

The journey that they begun  
Was the same that everyone would take  
But time and commitment Karen would show  
And an awesome agility dog Fate would make

In a year Fate has gone from strength to strength  
From running wide to running out  
From missing tunnels and contact points  
Hey Miss Fate what was that about?

But now they are an awesome team  
Attacking courses with confidence and glee  
Winning trophies and ribbons galore  
What a zone 2 rep they will be

A huge shout-out to the amazing friends who have helped and supported Fate and I on our journey to date. It hasn't been the easiest ride at times and we wouldn't be here if it wasn't for you all! Fate and I wish everyone a very enjoyable NZDAC. Best of luck, safe travels and go Zone 2!!

### Sheryl Mitchinson & Louie

Lou-dicrous Louie, pretty as a picture with a touch of crazy!  
Louie and I belong to the Feilding Dog Training Club. He is a family dog who does agility on the side, now three years old, he has been competing for a year. I had no intention to compete when I started training but entered a few shows, got hooked as they say, and now here we are at the NZDAC!

(Louie's Song to the tune of "Happy" by Pharrell Williams)

It might be crazy what I'm about to say  
I was an oops and the only babe  
Blessed with blonde hair and a pretty smile  
Had to find new digs when I was a juvenile

Because I'm happy  
When digging up the garden bed  
Because I'm happy  
Acting the fool and being fed  
Because I'm happy  
Hanging with my doggy Mum Jess  
Because I'm happy  
My family found me a new home, they wanted the best

Taken to Palmy to live with the Dassler family  
They have three boys and a girl called Amilee  
Mum taught me agility, started with hand touch  
Yeah, I love agility so much  
Here's why

Because I'm happy  
I get fed when I do things right  
Because I'm happy  
Have been told I'm a pretty sight  
Because I'm happy  
When jumping over jumps and weaving  
Because I'm happy  
When going to shows, but not when leaving

I've been doing shows for just over a year  
My Mum loves it when we get a clear  
DAC is here, I'm in my prime  
Training is done, it's business time!

I'm so happy!

## Sandra Banks & Willow

Hi, my name is Sandra and I'm 56 years of age. Willow is my second Border Collie and we have been competing together since November 2016. I never thought I would be able to do agility as I have two fused ankles and shouldn't be trying to run. Yet here I am, not only competing, but have made it into the Zone Three Agility Team for NZDAC.

Willow didn't get to stay in Starters or Jumpers C for very long at all as when she got it right she would win. I'm still getting the hang of running her, and I find it very hard to get to the right place at the right time as she is so very fast.

We may not always get it right, and I'm sure some of my runs look like a train wreck! But as long as my ankles hold up, I'm wearing my business socks, and I'm having fun with my dogs - I will keep going. After all that's what it's all about - isn't it?

# INTERZONE PROFILES

**Willow is her name,  
And speed is her game.  
Flygility Grand Champ at the age of two,  
My little blue merle with her eyes so blue.**

**I make a mistake and she leaves me for dead,  
I'm often left standing, shaking my head.  
Go up. Go through. Turn left. Turn right!  
With two fused ankles, I must look a sight.**

**My mind is still willing, but the body says no,  
If only, if only, I could tell her - go slow!  
But I can't slow her down, and I never will,  
So I must suck it up and take another pill.**

**Now in our Zone Team for the NZDAC,  
I needed to find the confidence I lacked.  
But with some extra time training - thanks to Kev and the girls,  
We'll go out all guns blazing, and give it a whirl!**

### Erin Ball & Mist

Hey ya, my name is Erin and I'm 16 years old. It has always been a dream of mine to try out for the Interzone Team, and I never would have thought I could make it in. But Mist my third border collie has made that dream possible.

It has taken a while to get to a point where we are a synced team. She is one of my fastest dogs to run, and I attempt to keep up, (which is not very successful on my part). Once we made it to the harder levels things came to a standstill for a while, but then over the past two years Mist has been absolutely amazing, she gained the titles Agility Champion a year ago, Jumpers Champion in August this year, and she has nearly achieved ADX Advanced Gold (one to go – Yeay!!!)

Mist and I, along with my parents and their dogs, have just moved to Zone Three about five months ago. I've spent 11 years competing in Zone One with Mist and my other dogs, with Mist gaining Agility Champion up there.

We belonged to the Mangawhai DTC for all that time. I started there as a very determined five year old with my first dog Trish. My inspiration to do agility came from watching Tux Wonder Dogs, and I told myself I'd do that one day ... Well here I am 11 years later with my girl Mist, representing Zone Three in the Intermediate Class. Absolutely a dream come true!!!

I just want to thank everyone who has helped me and Mist, by giving tips and support over the years. I never could have done this without you all.

This is going to be a great opportunity for us, Mist and I are going to give it everything we have got to make sure Zone Three takes that trophy home. To where it belongs!!!!

So Good Luck everyone, have fun, enjoy the moment, and go for it. You know what time it is!!!

### Kevin Burnette & Biz

*(To the tune of "Business Time" by Flight of the Conchords)*

Me and the Biz are going to training. You know how I know? Because it's Thursday. And Thursday night is the night that Feilding has agility training. We have Mondays off because we have usually been to a show in the weekend, Tuesday and Wednesday we may do a bit, but Thursday we train, weekly training. It's when everything is just right. There's nothing good on TV. Biz has been in her kennel all day, I may be tired but, oh boy ... it's all on. Biz launches into the van and barks. "I know what you're trying to say girl. You're trying to say, "Oh, yeah, it's business time. It's business time."

# INTERZONE PROFILES

# INTERZONE PROFILES

It's business.  
It's business time.

Oh I know what you're trying to say, you're trying to say it's time for business, it's business time.  
Ooh!

It's business.  
It's business time.

Then we're at the club, Biz does some tricks. That's all part of the warm up. I love warm ups ... Then Biz does a poo. That isn't part of the warm up process but it is still very important. Next thing you know we're in the Zone 3 team. You're wearing that saggy old collar you got from us several years ago. Mmm, you know the one, Bizzy ... with the mud stain. Oww!

I put on my Salomons, you can see my socks through the holes in my shoes, waiting on replacement shoes, luckily, I'm wearing business socks, you know when I'm wearing these socks what time it is ...

It's business.  
It's business time.

You know when I'm wearing these socks it's time for business, that's why they call them business socks.

It's business.  
It's business time.  
Ooh!

Ooh, runnin' agility  
Runnin' agility for ...  
Runnin' agility for two ...  
Runnin' agility for two ... minutes  
When it's agility with Biz, you only need two minutes, because she's so intense. I say something to Biz like, "That's it". Biz tugs on her toy, she's trying to say, "Aww yeah, that's it." Then Biz tells me she wants some more. Well, I'm not surprised. But I'm quite sleepy.

It's business.  
It's business time.

Business hours are over, baby.

It's business.  
It's business time.

### Sue McKee & Bliss

Bliss and I are proud to be representing Zone 4 as the Starters team dog. Bliss is a small black and white Border Collie who at time of trialling was the tender age of 18 months.

*...Bliss was my "impulse buy:..*

Bliss was my "impulse buy" when I was competing at Timaru and there just happened to be some lovely black and white border collie puppies visiting for the day with their breeder, Sallie Remon. It was obviously meant to be, and Bliss came home with us instead of going back to Dunedin, a decision I have never regretted.

### Jess Tansey and Rapid

This the first I have represented Zone 4 in agility but I have previously represented the South Island at NDOAs in both obedience and rally-o with my other dog Clutha. I have been training dogs since I was four years old and I am now in my last year of high school.

*... (I) wish everyone else the best of luck, especially the YKC kids competing at DAC:..*

I got my dog Rapid as a Christmas present two years ago and was in love the moment I saw her. This will be Rapid's first NZDAC ever and I am sure she is just as excited as I am to be representing Zone 4. I am looking forward to a great weekend and wish everyone else the best of luck, especially the YKC kids competing at DAC.

### Lisa Duff & Fault

Fault is a six year old fun loving border collie. He has many nicknames - Faulty Towers, Mr Faultilicious, and Little Baaastard (when he is naughty) which is not very often as he is pretty darn perfect in my eyes. Fault was bred by Sallie Remon and the stars aligned and we were lucky enough to welcome him into our home. It was one of the best decisions that we have ever made! He is a cheeky, boundary pushing team mate who likes to keep me on my

toes. Running Fault puts a smile on my face no matter what happens out on the course.

I have represented our Zone on many occasions before and this will be Fault's second time. We will do our very best to run fast and clean on the day but no matter what happens I am bringing home the best dog. I wish all my fellow competitors well and I look forward to seeing you out on the course.

Go Zone 4!

### Phil Johnson & Tee

Six years ago, Tee was involved in a rather nasty accident whereby she ran into a car on a 100km/hr road. After the driver of the car had taken the time to get what he thought was a dead dog off the road to prevent Tee being run over again, it was discovered that Tee was in fact still alive ... albeit just. She was rushed to our vets in Christchurch who had the surgical team on standby awaiting her arrival. Tee broke both front legs, one of which still has the plate and screws in, she badly dislocated her rear hip, had a massive head injury and she had significant cuts and scrapes to almost every inch of her body. Tee could not weight bear for some months, was crate bound for four months and in time went through over six months of intensive rehab with the view that she could possibly, just possibly, one day compete in agility again. Having chosen the Queen's Birthday show in Nelson (me being a Nelson boy) as her return show, Tee went on to amaze most by winning her very first senior class back from injury giving her a sixth challenge and the title of Agility Champion ... and the rest, as they say, is history. Tee, now age 10, has since gone from strength to strength in agility all the while both absolutely loving the thrill of the sport and also acquiring a unique ability to ignore my hopeless handling to somehow find the correct way to go.

I wish everyone the best for the upcoming NZDAC and Zone Teams event. Compete with pride, give 100%, run fast, but most of all ... Have Fun!!

#### Lesley Lee & Izzy

My name is Izzy (or The Princess, as I am more commonly known), together with my human Lesley I have been doing agility since the beginning of the year. I am a two year old English Springer Spaniel and I live on a lifestyle block in Invercargill with Mac the Labrador, Sam the German Shepherd cross and a Springer puppy called Piper. I like to spend my time chasing ducks and chickens, somehow the humans don't seem happy when I catch them though. I also enjoy chasing seagulls on the beach, although I haven't managed to catch any of them yet!

This will be the first time at NZDAC for both me and the human, we will do our best, have fun and learn lots watching all the great dogs. Good luck to everyone, happy running.

#### Leesa Todd & Cass

My husband Jim and I live with our 3 Labradors in Allanton, Mosgiel, Dunedin. My first Labrador was Brooke I competed with her in Gundog Trials with good success as I made her up to a Field Trial Champion as well as winning the New Zealand Retriever champion in 2003. When I got my next Lab Tess we struggled at Gundog trials she just didn't seem to be able to mark her retrieves. I joined the Taieri Canine Training Club with Tess in frustration with her gundog trialling ability. Shortly after joining the club Tess was diagnosed with a genetic disease called PRA which causes a dog to go blind, hence the trouble with 100 meter marking retrieves. While we waited for the inevitable to happen I continued with Tess at agility, advancing out of Starters into Novice/Intermediate. After retiring Tess I had a period without a dog. We were waiting for a well bred Labrador from a gundog background to be born. Along came Cass she has a lot to live up to as her parents are both Grand Field Trial Champions. While we haven't competed at gundog trials since she won the South Island Novice in 2015 I am sure we would have competed well.

Agility has kicked in and taken over from gundog trials. Cass and I are extremely proud to be in the Zone 5 team and hope to represent my club and Zone 5 well at NZDAC. Thanks to all the help from the many agility people. There are too many of you to mention in this article, but you know who you all are and I truly thank you for all your wisdom and help. Without you guys I wouldn't be writing this and be part of the Zone 5 Team.

### Richard Powley and Mello

Hi, I'm Richard and this is Mello, she is a 7 year old, red and fawn Australian Kelpie. This is the first time I have trialled Mello for the Zone 5 team since she was 2 years old, back then she wasn't emotionally ready. After 5 years of intensive therapy she has grown and although she is still afraid of the sheep and lives mainly under the couch, she has decided her new best friend Fitz and Agility are her favourite things and in the last couple of months she has achieved a lot. Mello and I are honoured to be part of this Zone 5 team. Good luck to everyone competing in the team event. Go Zone 5!!!

### Bronwyn Smail & Inch

Hi I am Bronwyn. Inch and I are super excited to be representing Zone 5 this year as senior dog team. This is the first time that either of us have been representatives in a zone team. I am a relative newcomer to agility, only competing for the last 7 years, belonging to the great Taieri Canine Training club. Inch is my third agility dog. She lives on a farm with four other dogs and they all have a very charmed farm life with plenty of space and rabbits to chase.

I first started training with a black Labrador named Denver. Denver never made any land speed records but taught me a lot about agility. I then rehomed the sweetest black 8 month old collie cross pup "Zeta". Zeta turned into the craziest screaming agility dog that you would ever know. She still competes and loves agility. I also have an 11 month old tricoloured collie pup who will be introduced to agility next year.

Inch is a nearly four year old kelpie huntaway cross from a farm in Balcultha. She lives up to her name in every way, "If you give her an inch she will take a mile" and has a very loud bark. She has not been the easiest dog to train however we have finally clicked as a team. Inch has hit her straps in the last few months and is proving to be a very reliable and consistent agility dog. Her biggest achievement so far is winning the Maxi Dog Novice final at Rakaia in 2016 I'd like to thank everyone who has helped me with my training and teaching me and my dogs new skills.
