AgCh Shelton Time T Reflect ADXG JDX “Kosima”

I got Kos with the help and inside knowledge of Diana Sheehan, who introduced us through breed show people. She was 5 months old, very cute and showed “spark”. As soon as I heard about her, I dashed to Ardmore and proudly took her home.

Unfortunately, it was not a match instantly made in heaven, as Kos just wouldn’t bond with me.

However, in September 2007, I had a car accident and Kos headed for the hills after being released from her seat belt and couldn’t be found. The following day, I went back to the crash site with Justine Dale and there she was. It was like a scene from The Sound of Music as she came over the hill and ran back to me. After that, she never let me out of her sight!

We got our very first challenge in 2008 at the Hawera show and in January 2013, she became Agility Champion. This was one of my proudest moments.

Sadly, at the Auckland Anniversary show at Counties, Kos hurt her neck on the Saturday and was in great pain. The very next morning, I took her to the vets. Tragically, despite much care and attention from the vets, Kosima died on 31 January 2013.

All I can say is THANK YOU all so much for all your support and comfort - the Agility family is awesome. You have helped me more than you can imagine and you still cope with my tears.

Kosi was posthumously awarded the Runner Up Top Micro 2012 for Zone 1.

In her memory, I have created a Top Mini/Micro Trophy to be awarded to the top mini/micro at Huntly’s Champ show. Good luck to all those mini/micro dogs!

Lou Baker ☺
